SUPPLEMENTSUBJECT Unauthorized Repairs of Foreign Barges in
Germany

25X1A

ORIGIN [REDACTED]

25X1X6

Although it was intended that only Dutch, Belgian and French barges in need of repair while in Germany should undergo emergency repairs there, cases have arisen where owners put in their vessels for major repairs and reconditioning, often against payment in kind. The marks required for cash payments are acquired by barge owners on the black market exchanges outside Germany. A Rotterdam quotation has been given as seven cents per mark.
